

Mitten Match

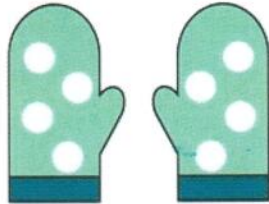

This game is FREE and just for fun! Decorated left and right mittens are displayed around Downtown Crystal Lake on Main, Woodstock & Williams Streets.

Look for the mittens and write down the name (or address) of the business where it was found. Be careful....don't mix up your left and right!

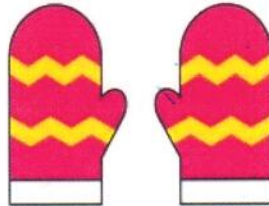

Once you find all six pairs of mittens, drop the completed form off at Marvin's Toy Store for a chance to win fun prizes.

Winners will be drawn from correctly completed forms and notified. One entry per person. Contest ends on Saturday, January 30, 2021.
